

## **Parent Resources for Remote Learning:**

(Updated 4/16/2020)

Below are a number of resources for families to tap into while the schools are closed. Continuing to challenge students cognitively while on a break is very important. We will continue to add to this document throughout the closure. (New information is added at the top of the document.)

### ***Galena Public Library:***

Galena Public Library is now issuing temporary non-resident cards to those who live outside of the library's tax district (East and West Galena Township). For those that are interested, they can apply for a non-resident card at no cost. The card will be valid until May 31st and card holders will be able to access all of our digital resources. If those who sign up for a temporary card would like to extend their usage, they will have to pay a non-resident fee by May 31st. We will help them figure out those costs. To sign up for a temporary card please contact Larissa Distler, Adult Services Librarian, at [distlerl@galenalibrary.org](mailto:distlerl@galenalibrary.org)

Our current digital resources include:

- Kanopy - a film streaming service that can be downloaded as an app or used in a browser. Kid-specific content is available.
- Axis360 - eBooks and audiobooks
- Mango Languages - Language learning for over 70 languages
- PressReader - will be available until May 30. Includes access to over 7,000 digital magazines and newspapers

Two resources that do not need library cards:

- Biblioboard Library - eBooks
- [linkie.org](http://linkie.org) - self publishing tools
